

To my Federal, State, and Local Officials

Patriot's Declaration July 4, 2008

*"Those people who will not be governed by God will be ruled by tyrants."* - William Penn

In the American Colonies of the 1770's the tyranny of England as outlined in the *Declaration of Independence*, led to the American Revolution.

*"Death is more eligible than slavery. A free-born people are not required by the religion of Jesus Christ to submit to tyranny, but may make use of such power as God has given them to recover and support their liberties..."* - The men of Marlborough, Massachusetts who took part in the Boston Tea Party

Thomas Paine painstakingly appealed to his countrymen exactly why declaring independence was worth whatever the cost. Without his convincing, without the burden that was placed on his heart, the America he could envision as free from tyrannical oppression can once again be restored. It will take Biblical moral virtue to restore Biblical moral virtue to these United States.

*"If there must be trouble, let it be in my day that my child may have peace."* - Thomas Paine,

It is now once again necessary to keep our children and descendants from living under a new form of tyrannical rule known as *Political Correctness*, where secular humanism is replacing Biblical moral virtue.

*"I believe there are more instances of the abridgement of the freedom of the people by gradual and silent encroachments of those in power than by violent and sudden usurpations."* James Madison

A falsely interpreted *letter* by the same Thomas Jefferson who provided the *Declaration of Independence* is now more prevalent in how "*Rights*" are "*entitled*" then what Jefferson wrote in America's Founding Document.

*On the distinctive principles of the Government...of the U. States, the best guides are to be found in...The Declaration of Independence, as the fundamental Act of Union of these States."* James Madison, the primary author of the Constitution.

When in the course of human events, it becomes necessary for one people to dissolve the *Political Correctness* mandated upon them by politicians and judges whose laws violate the *Laws of Nature and of Nature's God* while disrespecting the opinions of "*We the people*" and primarily Christians, requires that they should declare the causes which impel them to reclaim that equal station.

But when a long train of abuses and usurpations, pursuing invariably the same Object of secular socialism evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.

The history of the present *Political Correctness* is a history of repeated injuries and usurpations, all having in direct object the establishment of a secular socialism, an absolute Tyranny. To prove this, let Facts be submitted to a candid America.

*Political Correctness* has ignored and refused the boundaries as founded upon *the Laws of Nature and of Nature's God* as most wholesome and necessary for the public good, of society, from *Rights*, to politics, to public and civil behavior.

*Political Correctness* has permeated our public schools, higher education, legislatures, and courts and has prevented parents from providing their preferred choice of education by denying school vouchers forcing

faith-based parents with unattainable options to keep their children from being taught such deviancy as same-sex unions as if “normal,” in direct opposition and contrary to the faith of the majority of parents.

*Politically Correct* legislation such as ENDA is continually reintroduced to force businesses to accept that which violates *the Laws of Nature and of Nature’s God* into their private workplace and thereby demoralizing that workplace.

*Political Correct* legislation purposely misuses deceptive titles which actually mean just the opposite such as the “Fairness Doctrine” which unfairly and unjustifiably singles out radio, while *Political Correct* bias is also overwhelmingly dominant in television. One must also consider the *Politically Correct* bias of federally funded NPR and PBS.

*Political Correctness* in the Democratic Party has obstructed the Administration of Justice, by refusing to vote on Presidential judicial nominations.

*Political Correctness* has erected a multitude of new entitlements and taxes, and sent swarms of tax codes to harass our people, and eat out their substance without our Consent.

*Political Correctness* has attempted to render the Military weak and place under United Nations jurisdiction eroding America’s sovereignty and power.

*Political Correctness* has combined with other nations to subject us to a jurisdiction foreign to our constitution and unacknowledged by our laws and signing on to international Treaties of pretended Legislation.

For protecting the liberally biased media and higher education institutions from punishment for unfair slanted reporting and commentary and propaganda which they commit on the Inhabitants of these States:

For Congress depriving us of Social Security benefits unlike the pensions enjoyed by Congress:

For transporting us beyond Seas to be tried by United Nations pretended offences:

For abandoning the English language, establishing therein a mandated government of impossible bureaucracy, and continuous enlargement of government’s entitlements without Boundaries so as to render America a cradle-to-grave-nanny-state of socialism:

For gradual and silent eradication of our history and Heritage, fundamentally altering the Forms of our Republic:

For suspending “*We the people*” and declaring themselves invested with power to legislate against the majority in all cases whatsoever:

*Political Correctness* has successfully deceived Government by declaring the majority of “*We the people*” out of Protection and waging a cultural War against us.

*Political Correctness* has used environmental and global warming theory to restrict energy resources, violate landowner rights, and diminish the lives of our people.

*Political Correctness* has allowed insurrections amongst us, and has endeavored to bring on illegal immigrants, with disregard for the rule of law which is destroying the American way of life.

In every stage of these Oppressions We have petitioned for Redress in the most humble terms: Our repeated Petitions have been answered only by repeated injury. A *Politically Correct* “leader” whose character is thus marked by every act which may define a Tyrant, is unfit to be the ruler of a free people.

Nor have "We the people" been wanting in attentions to our *Politically Correct* brethren. We have warned them from time to time of attempts of their anti-Judeo-Christian legislation which extend an unwarrantable jurisdiction over us. We have reminded them of the circumstances of our petitions. We have appealed to their justice and magnanimity, and we have summoned them by the ties of our common faiths to disavow these usurpations, which would inevitably interrupt our Constitutional freedoms. They too have been deaf to the voice of justice and of Biblical moral virtue. We must, therefore, acquiesce in the necessity, which denounces our Biblical moral virtue, and hold them, Enemies in the culture war.

*"Contemplate the mangled bodies of your countrymen, and then say, 'What should be the reward of such sacrifices?' ... If ye love wealth better than liberty, the tranquility of servitude than the animating contest of freedom...crouch down and lick the hands, which feed you. May your chains sit lightly upon you, and may posterity forget that ye were our countrymen!" - Samuel Adams*

This call is to restore America to its Biblical Foundation where "Rights" are only to be "entitled" if they do not violate "the Laws of Nature and of Nature's God" and requires a sound Biblical moral virtue. Those that possess a "reprobate (unrighteous) mind" are "without excuse" and their *Politically Correct* actions are confirmed by the Holy Spirit through Paul the Apostle in Romans 1:16-32 and 2 Timothy 3:1-9.

*"The rights of man come not from the generosity of the state but from the hand of God."* John F. Kennedy

How is the foundation of *Political Correctness* justified? Darwinism? Socialism? Communism? All of which citizen freedom is mandated by the state and not of God. This is in direct opposition to America's Founding document where the intent of the *Declaration of Independence* was targeted against tyranny and prevented social deviance from becoming legal, preempting that which corrupts basic human and social civility by establishing a Biblical moral and virtuous foundation defined by "the Laws of Nature and of Nature's God."

*"Those who expect to reap the blessings of freedom must, like men, undergo the fatigue of supporting it."* - Thomas Paine

"We the people" now demand a cease to further degeneration of these United States. "We the people" will no longer be complacent and let our guard down, or apathetic in trusting without verifying. "We the people" will no longer allow our elected officials, whom "We the people" voted into office to create laws that violate the boundaries of that sacred Declaration. "We the people" will no longer allow our elected representatives to be apathetic in their duty in upholding their accountability in our Republic's "checks and balances," and continue to allow judges to violate the Constitution they swore to interpret, not re-write.

*"Whenever the pillars of Christianity shall be overthrown, our present republican forms of government, and all the blessings which flow from them, must fall with them."* - Jedediah Morse

"We the people" therefore question and challenge *Politically Correct* secular humanists, politicians, educators, and judges, to state exactly what their foundation is? What provides the basis for all that is *Politically Correct*? What "new and improved" wisdom do secular liberal humanists employ to justify violating "the Laws of Nature and of Nature's God?" What exactly is the *Politically Correct* foundation for establishing boundaries, if any, if not "the Laws of Nature and of Nature's God?"

*"Those who expect to reap the blessings of freedom must, like men, undergo the fatigue of supporting it."* - Thomas Paine

"We the people" demand an answer to all Political Correct decrees that deceptively undermines "the Laws of Nature and of Nature's God, personal responsibility, accountability, commitment, or assaults against free speech, specifically those intended to silence Christians.

*He who accepts evil without protesting against it is really cooperating with it.* - The Rev. Martin Luther King Jr.

Let it also be known that *"We the people"* are not promoting theocracy as the U.S. Constitution prohibits a theocracy and allows for all to worship, or not, as an individual choice.

*"We the people,"* therefore, of the united States of America, Assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these States, solemnly publish and declare, That these United people are, and of Right ought to be Free and Independent; that they are Absolved from all Allegiance to the *Politically Correct* Crown, and that all political connection between them and the media, is and ought to be totally dissolved; and that as Free and Independent people, they have full Power to levy a culture War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent individuals may of right do. And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.
